RELIGIO. — *Religio in genere.* Cæcilius omnia in rebus humanis dubia et incerta esse asseverat, III, 212. Juxta eundem dolendum quod Christiani, vides plerumque ac illitterati, de summa rerum ac divina majestate aliquid certi decernere audeant, 212. Hinc nulla Providentia mundum regi idem arguit, concluditurque satis esse antiquis religionibus adhaerere, 242. Concludit Cæcilius in Octavio non de rebus dubiis temere pronuntiandum, 275. Non disputantis auctoritas, sed disputationis ipsius veritas est spectanda, 279. — De religione generaliter spectata, VI, 368, et VII, 1011.

Religio Christiana. — Ostenditur Christianam religionem fultam esse sacris Veteris Testamenti scriptis, I, 781. — Ab ipso Christo apostolos, ab apostolis Ecclesias sanam disciplinam posteris transferendam accepisse, nec aliunde ullam esse accipiendam, II, 31. Veram Ecclesiam doctrinam quia enam, 40. Illud verum et divinum quod prius traditum, 41. Firmum esse veram Ecclesiam testimonium continuam ab apostolis episcoporum successionem, 44. Veram esse disciplinam nostram quæ ab apostolis utique non damatur, imo defenditur, 45. Ad invenendam veritatem consulenda esse Ecclesias apostolicas, ac præ omnibus felicem illam Ecclesiam, cui totam doctrinam apostoli cum sanguine profuderunt, 48. Veram doctrinam indicia, 55. Argumentum libri ad senatorem, ex Christiana religione ad idolorum servitutem conversum per Jacobum Panemium, 1105. Juxta Cæcilius in Oct. Christianorum religio stulta: hominem siquidem crucifixum, ipsamque hujus supplicii instrumentum venerant. Asini caput colere, ipsamque parentis sui natam adorare dicuntur. De cæde infantis et sanguine initiantur, ac per impudentes tenebras, incerta sorte omnes permiscuntur, 260. Quidquid colunt, magno opere occultare nituntur: nullas aras habent, templa nulla, nulla nota simulacra. Deus illorum, sicuti et Judæorum, unicus esse fertur: quem cum nec videre nec ostendere queant, illum nihilominus molestum, inquietum et præpostere curiosum arbitrantur, 263. Futuram quoque asserunt totius mundi incendium; ac post corporum nostrorum resurrectionem, justis beatissimæ vitæ, injunctis maximam poenarum æteritatem reprobantur, 266. Concludit tandem Cæcilius repudiandam religionem novam, 275. — Ethnicorum adversus Christianam religionem veritatem argumenta examinantur, V, 430. — De institutione Christianæ religionis, VI, 750 et seqq. — Expendantur argumenta quibus Lactantius solam religionem Christianam veram esse demonstrat, VII, 1022, 1033. Quomodo Lactantius veritatem Christianæ religionis asserat et confirmet ex veris Christi miraculis, quæ a sacris nostris aliisque variis prædicta fuerant, 1044. — Selecta Theodosii de religione decreta, XIII, 521. — De fide Christianorum quinquæ libros scripsit S. Ambrusius, XVI, 523. — De doctrina Christiana S. Augustini libri IV, XXIV, 15. — De vera religione S. Augustini liber unus, XXXIV, 121. — De quibusdam religionis Christianæ dogmatibus in S. Religio pagana. — Quibus argumentis Tertullianus demonstrat falsam esse gentiliam religionem ac falsos omnes illorum deos, I, 1091, 1103, 1113. De gentiliis templis et sacrificiis, 1158. — Quælibet natio, ac Romani postmodum numina sua ita colere, ut eorum cultu supremum totius orbis terre imperium fuerint acceperint, III, 270. Auspicia et auguria Romana præstiterunt omnia, observata feliciter, 275. Minime ferenda Theodori, Diagoræ, ac Protagoræ impia temeritas, qui deorum religionem vel penitus tollere vel saltem indr-

mare volvere. At multo minus, juxta deorum defensionem, ferri debet latebrosa et lucifraga Christianorum natio qui deos despiciunt, 256. Evidenter ostenditur insulam impiumque semper fuisse cultum deorum; dum mortalium antiquissimi sui reges, duces inclitis, artiumque inventores, ob præclara illorum facinora non secus ac deos venerati sunt, 297, 331, 350, 355, 366. Idque confirmat Octavius Euhemeri, Proclii, Persei et Alexandri Magni a quibus deorum patria, dies natale, sepulchra recensentur. Exponit præterea deorum ritus exitus, fata et funera. Ad hæc ineptias putidasque nups ridet, quas de suorum deorum forma, figura et facie ethnici venditant, 399, 558, 562, 566, 573, 577, 582, 583. Brevis inductione demonstrat Octavius quantum a celebrandis quorumdam deorum mysteriis ridiculi, obsceni crudelesque ritus observarentur, 512, 518, 511, 631, 635, 638, 642. Ostendit Octavius a Cæcilio perperam jactitari Romanos, qui totius orbis imperio potius fuerint, bajusmodi superstitionibus rite observatis, 515, 589, 591, 595, 600, 602. Religionis paganae demones sunt sutores et actores, 615, 618, 622, 623. — Gentilium in Christianos odium excitant, III, 525. — S. Cypriani liber de idololorum vanitate, IV, 565, 1091. De origine idololatriæ, 1024; VI, 235 et seqq. — Quibus argumentis Arnobius religionem paganam falsam esse demonstrat, V, 499, 514, 514, 551, 564, 578, 590, 596. De templis gentilium, 608. De deorum simulacris et imaginibus, 616. De gentium sacrificiis, 633, 651. — Religionem paganam falsam esse probatur ex origine, vita et factis deorum, VI, 156, 168, 184, 188, 190, 192, 201, 209, 215, 250. — De errore eorum qui simulacra venerantur, VIII, 407. — De errore profanarum religionum tractatus S.
